

## RCA APPLICATION FOR SURVIVING CHILD EDUCATIONAL BENEFIT

A surviving child of a deceased member of the Christian Church (Disciples of Christ) Retirement Compensation Arrangement for Canadian Members ("RCA") may be eligible for an educational benefit for each of the first four years of full-time attendance at an institution of higher education. For purposes of this benefit, the child must be:

- under the age of 21 at the time of the member's death;
- either the natural born child of the member or the legally adopted child of the member, for whom the member had legal responsibility to support (but does not include a stepchild unless the member legally adopted the stepchild); and
- enrolled as a full-time student in an undergraduate program offered by an accredited institution of higher education or in a vocational, trade or career school (full-time means taking a course load that is no less than 50% of a full-time course load for that institution).

The surviving child must begin his or her qualifying study before attaining age 25, and benefits will not be paid after the child attains age 30.

Unless otherwise directed on this Application, the educational benefit will be paid to the parent/legal guardian on behalf of and for the benefit of the surviving child until the child attains age 18, and will then be paid to the child.
